### DISQUALIFICATION NOTES

In the event of a disqualification, the scorer must input a "YES" text value into the DQ Column (Column J). As a result, the adjusted time will reflect the slowest team's time plus an additional penalty to be set by the Meet Manager and Head Referee (this value is by default set at 30 seconds as determined at 2005 Barnsley Championships). This factor may be adjusted by altering Cell L31

**DQ FACTOR**

15 seconds

**FASTEST TIME:**

122.94 seconds
